

Sending your Donations

The easiest way to pay in your donation to The LUNA Project is via a BACS transfer. Below are the details you will need:

Account name: The LUNA Project

Sort code: 08-92-99

Account number: 65965643

Please write your name and fundraiser in the reference box, for example “John coffee morning”. This will help us to identify your donation.

Please also drop us an email at thelunaprojectuk@gmail.com to let us know about your donation (so that we know to expect it) and tell us a bit about what you did – we love to hear your stories! We are very grateful for your support and would be delighted to hear about why you chose to raise money for us.
